Illinois Articulation Initiative Gen. Ed. Requirements

Illinois Articulation Initiative (IAI)

Lakeview College of Nursing recognizes the ease in transferability with courses holding the IAI status. LCN requires RNs to complete the IAI core curriculum as follows:

Communication (9 cr.)..... Take 2 sequenced courses in writing, plus 1 in speech. Examples follow:

- _____ English Composition I
- _____ English Composition II
- _____ Speech

Math (3 cr.)..... Complete at least 1 math course that focuses on quantitative reasoning. Example follows:

- _____ Statistics (prerequisite for LCN’s N434 Evidence-based Practice)

Physical &

Life Sciences (7 cr.) Choose 1 course from the Life Sciences (biology, botany, zoology, and genetics) or interdisciplinary courses and 1 from the Physical Sciences (physics, chemistry, atmospheric and earth sciences) or interdisciplinary courses. Be sure that at least 1 of these includes a lab class. Examples follow:

- _____ Anatomy & Physiology Part I
- _____ Astronomy

Humanities &

Fine Arts (9 cr.)* Pick at least 1 course from humanities and 1 from fine arts. Choose from history, literature, philosophy, religious studies, performing arts, visual arts or interdisciplinary courses. Examples follow:

- _____ Philosophy
- _____ Music Appreciation
- _____ Ethics

Social &

Behavioral Sciences (9 cr.)..... Choose from at least 2 disciplines including anthropology, history, economics, human geography, political science, psychology, sociology, or an interdisciplinary course. Examples follow:

- _____ Intro to Sociology
- _____ Intro to Psychology
- _____ Life Span Development

Students transferring from colleges and universities within the state of Illinois may check www.itransfer.org. Students should also verify information with the individual college or university where they are planning to pursue coursework.

Courses taken outside of Illinois or courses that are not identified as IAI should be verified for transfer by contacting a Lakeview College of Nursing admissions representative.
